## Portable Bluetooth Speaker

### Highlights

---

- Best Audio Performance
- Perfect angle for indoor or outdoor music experience
- Groovi Ripple with larger sound driver
- Pocket size with smart handle
- Unstoppable music experience
- 66ft Bluetooth wireless range

# Features

## Best Audio Performance

Full range audio with Real Sound - incredibly spacious with enhanced excellent frequency performance, perfectly design for the real sound, which equipped with latest ripple design and smart handle.

## Prefect angle for indoor or outdoor music experience

Rubber Smart Handle can be propped up and forming prefect angle to reduce the surface of contact in between the speaker, which delivered more sound within the environments than most speakers.

## Groovi Ripple with larger sound driver

With larger sound driver, delivering the extendable and detailed sound further away than most speakers.

 Pocket size with smart handle

Weighing only 175 grams, portable and lightweight enough with a smart handle that doubles as a stand to be propped up, grasping on a surface tightly or even making it attachable to most of the gear. See it now.

 Unstoppable music experience

Groovi Ripple's powerful 750mAh lithium-ion battery provides users with enough power to enjoy wireless listening of up to 240 minutes continuously. Use our ultra-fast micro USB charger and return to full power in 2 hours.

 66ft Bluetooth wireless range

Control your music from up to 20 meters (66 feet) away from your mobile phone or tablet (or other Bluetooth-enabled device), as  **Bluetooth™ 4.0** technology increases the speed and reliability of data transfers between devices to speaker.

# Specifications

## Hardware
